Frequently Asked Questions

WHY IS PORTER FREIGHT FUNDING DIFFERENT?

1. We're not a one-size-fits-all company - We Specialize in transportation freight factoring.
2. We've been around for over 25 years and we're not going anywhere!
3. We're committed to customer service - Every client has a dedicated support rep.
4. We help clients grow (not just maintain) their trucking businesses.
5. We've formed strategic partnerships with other service providers that provide dispatching, equipment, insurance, compliance and much more!

WHAT IS FLEET FACTORING?

Fleet factoring is freight factoring for your entire fleet. Instead of waiting for clients to pay invoices, you sell them to a factoring company, which pays you within a day. The factoring company then collects from your client over time, taking a small fee. This ensures quick cash flow for you while giving clients more time to pay.

DO I HAVE TO SIGN A LONG TERM CONTRACT WHEN I FACTOR WITH YOU?

No! Unlike some companies, Porter Freight Funding does not require you to sign a long term contract. You stay in control of your business with month-to-month agreements. No commitment issues. Get a discount for signing a 6 month or 1 year contract! Our desire is to earn your business not force you to stay with us.

DO I HAVE TO FACTOR ALL OF MY INVOICES?

No. Porter Freight Funding allows you to remain in control of your accounts receivables by choosing what you factor. We'll even bill out the non-factored loads for free so you can keep sending your paperwork to the same place. We're just cool like that.

WILL PORTER PREPARE MY BILLING OF INVOICES?

Yes! Billing services are provided at no additional cost to our non-recourse clients. These services are also available to our Recourse clients with an additional surcharge. TripPak or Transflo services provided to you at no additional cost.

HOW DO YOU FUND?

Next Day ACH or Same Day Wire. Load funds to your Porter Fuel Card. Reserve, released weekly at NO request! PorterWallet powered by Tank

HOW DO I CHOOSE A FREIGHT FACTORING COMPANY?

It can be easy to just choose the one with the best rates and be done with it. But, remember that the company you select will be working with your finances and helping you grow your business. Take the time to do your research and talk with the teams to see which ones align with your mission and are truly dedicated to seeing your brand succeed.

HOW DOES FREIGHT BROKER FACTORING WORK?

Freight broker factoring helps you get paid faster by eliminating long payment delays. After your carrier completes a job, send us the client's invoice—we'll pay you upfront and handle invoicing and collections. This keeps your cash flow steady while we manage the rest.
